

English Riding Instruction Information & Pricing

Trotting Tots – Ages: 4-6 **

{30 minute private lesson \$30}

This level is designed for young riders and their parents to learn the basics and necessities of horse care and riding. The parent actively participates in their child's introduction to riding. The first portion of the lesson is learning the ground work around horses and the second portion of the lesson is taught on a lead line while the child learns how to sit on their horse and how to properly steer. The child will learn with fun ways using games on horseback how to get their horses to turn left and right and stop. Ages younger than four are evaluated by the instructor on a case by case basis. This is a great entry for your child to learn about the horse world and be more comfortable around horses.

Beginning English – Ages: 7 & up **

{45 minute private lesson \$35}

This package is designed for young riders who are new to horses, or those who have graduated from the Trotting Tots lessons. All students start with 45 minute private lessons and learn partially on the ground and partially in the saddle. In the lesson, the student will work off of a lead line but will start on a lunge line to learn the fundamentals of proper English Equitation. They will learn how to sit and steer their horses off the lunge line. Also, they will learn basic horsemanship including leading, grooming, safety, horse handling and tacking up. These lessons are designed for the student to reach a level where he or she is confident enough to canter without being on a lunge line. They can continue on in our lesson packages where they can learn to jump and/or Dressage.

Intermediate 2 Advanced

{60 minute private lesson \$40}

{30 minute private lesson \$35}

{60 minute group lesson (2-4 riders of similar knowledge) \$30 per rider}

Once riders can safely walk, trot and canter their horses, they will have the option to learn to jump or to learn the techniques of dressage. With these lessons, the student is expected to arrive a half an hour before the lesson to groom, tack and warm up their horses, and stay a half-hour after the lesson to cool, untack and groom their horses. These lessons also include practicing horsemanship, learning how to cool down the horse and additional untacking, grooming and equipment care techniques.

Boarders & Leasers:
\$35 per 60 min. priv. lesson

Helmets will be provided for the first month of riding. Proper attire for riding is long pants with boots that have a slight heel. If you have questions about student attire, please do not hesitate to ask your instructor! We are here to help you with all your horse and rider needs!

Students have TWO weeks after the date of their final lesson in the package to make up any missed lessons or they will be forfeited.

***We ask that a parent participates in the ground portion of the lesson until their child is able to perform these tasks on their own.*
